“The future of Noblesville Football depends on the development of those players from the youth level through the middle school. All camps are a step in the right direction to achieving our ultimate goal of winning a state championship. The camps will enable the Noblesville High School coaching staff to start developing a relationship with the players throughout the entire system. The camps will allow the staff to properly teach the drills and skills we believe are most important. The most important skill we teach is FUN. I believe playing football at this age should be fun. Some of my best memories of football came during this time in my life playing football at the developmental level. I truly believe that football should be a positive experience for your son and I will do my best to make this happen.”

LANCE SCHEIB
NHS HEAD FOOTBALL COACH

Each Camper Receives:

* Camp T-shirt
